The class will enable students to hone their skills in the language of jazz. The beginning course will introduce concepts of jazz melody and harmony and the introductory basics of jazz improvisation. The more advanced class will dive deep into Jazz performance training. Topics covered will include ii-V-I vocabulary, common scale patterns, advanced scales, and Jazz History. Students will leave with an understanding of what (and how) to practice to become a fluent improviser.

One of the Basie Academy’s proudest partnerships, the year-round Actors Playground program fosters a strong foundation of respect and encouragement and offers a challenging, diverse, conservatory-level curriculum. Taught by a staff of dedicated and extensively trained teachers, students study the latest version of modern acting techniques, including ‘Second City’-style improvisation, advanced scene study, auditioning and more. Actors Playground also offers opportunities to train with well-known actors and audition for top level theatrical representation.

Contact Rachel Repole at rrepole@thebasie.org for more details and information.
Due to changing guidance and the unknown variables of the COVID-19 variants, masks wearing will be required for all onsite participants and staff of the Basie Academy of the Arts.
